

Kibble Park Place Plan - Phase 2

Engagement Summary

Central Coast Council

Engagement summary

Between 15 March and 30 May 2021 Central Coast Council sought community feedback on the draft Kibble Park Place Plan and draft Kibble Park Concept Plan.

The draft plans were prepared following detailed analysis of the feedback we received from our first round of community consultation.

We wanted to check back in with the community to ensure that we had gotten it right! We invited the community to view the draft place plan, view a visual presentation of how a revised Kibble Park will look on the ground. We gathered feedback by:

- Survey
- Social Pinpoint Map
- Phone interviews

Engagement Results

Results from the consultation period included:

- 39.5% of participants said that the vision for the future was perfect for Kibble Park
- *Welcoming and inclusive: Kibble Park is a safe, inclusive and welcoming place* was ranked as the most important theme to guide improvement and achieve the vision by 48.7% of participants

Comments received throughout the consultation period included:

- concerns on the prioritisation of these works given current financial situation
- encouragement for Kibble Park to become a safe place for families to gather
- the need to incorporate the heritage value of the area
- encouragement for a green heart for the city

254 visits to the Your Voice Our Coast website

105 comments captured and 473 community votes

The plan was downloaded 515 times

11,202 stakeholders were kept up-to-date through e-news.

45 surveys completed

5 interviews

“We need these types of projects to be keep building trust in the public eye, in main areas, to start regrouping and building on the momentum of Gosford moving forward, to achieve the civic heart vision”

~ Interview

“I love the playground and green area concept, but with the League Club park a five-minute walk down the road.....both need to complement each other.”

~ Survey Respondent

“The park has so much potential, and I think this plan makes the most of it.”

~ Survey Respondent

“Is it trying to do too much within the limited space available?”

~ Survey Respondent

What's next?

The Place Management team will now finalise this plan and prepare concept plans informed by the feedback received.

We will inform the community of the finalised plans in the coming months.
